2023

IEEE MetroXRaine

Metrology for eXtended Reality, Artificial Intelligence and Neural Engineering

MILANO, ITALY

OCTOBER 25-27, 2023

CALL FOR SPECIAL SESSIONS

The IEEE MetroXRaine 2023 Program Committee is soliciting proposals for special sessions within the technical scopes of the Conference. Special sessions have the main aim of creating a discussion group focused on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation.

All papers will be subject to the same peer review process as for regular papers and will be submitted for publication in *IEEEExplore Digital Library*.

SPECIAL SESSION PROPOSAL

Proposals should include the session title, a brief description of the scope and motivation, related topics, biographic and contact information of the organizers.

Papers submitted for special sessions are to be peer reviewed with the same criteria used for the regular sessions.

Accepted papers will be published in the proceedings of the Workshop.

Researchers interested in organizing special sessions are invited to submit a proposal through the form available at the following URL
