2024 IEEE INTERNATIONAL CONFERENCE ON

Metrology for
eXtended Reality, Artificial Intelligence and Neural Engineering

ST ALBANS - LONDON, UK //// **OCTOBER 21-23, 2024**

CALL FOR LIVE DEMONSTRATIONS

IEEE MetroXRAINE 2024 will have a "**Live Demonstration**" track to allow an interactive and tangible form of presentation. The demonstrations will be conducted in presentation booths and ample space will be provided to set up a working system, may it be interactive software on a laptop or a hardware setup.

Conference delegates are invited to experience the demonstrations directly, to interact with, play with, and challenge them. Presenters will have the opportunity to show direct proof of their working systems and to create a lasting impression. Prospective demonstrations could be either be related to the work that has already been published or the one going to be published during the IEEE MetroXRAINE 2024 Conference.

LIVE DEMO PROPOSAL

The demonstration proposal must contain the following information:

• Demonstration title and author information;
• Demonstration setup: Describe the equipment that you will bring to IEEE MetroXRAINE 2024. Include a photograph and/or a screenshot. Only a power plug, a table and pin wall will be provided. Demonstrators are responsible for the transportation of their own equipment to the conference site. Indicate any special requirements such as for example extra space for demonstrating robotic movement or other requirements which the organizers should be aware of;
• Visitor experience: Explain the way in which a visitor experiences and interacts with your demonstration;
• Earlier publications (for demonstration based on already published work): Please include one or more citations referring to your work about the scientific background of your live demonstration.

Proposals of live demonstrations must be submitted through the form available at
https://metroxraine.org/live-demo-proposal
